

# Metro Bike Meeting

You are Invited to a Meeting to Discuss Revisions to the Bikes-on-Rail Policy

**When:** Thursday, July 9, 2009

**Time:** Choice between meeting times 12:00 noon or 6:00 PM

**Where:** Metro Headquarters, “Board Overflow Room” 3rd floor (across from cafeteria)

**Bicycle Parking:** Located on level P1 in the parking garage at the east end of the Union Station tunnel behind the glass fish tank. Street entrance is off of Vignes and Ramirez in the public parking garage.

**Presentation by:** Hector Rodriguez, Metro Rail Operations Administration Finance Manager

**Metro Rail Operations will be going to the Board in July to seek approval to revise the policy for bikes on Metro trains. The proposed new policy will allow access to bicycles at all times of the day and, to enhance safety, will add signage to direct bicycles to appropriate locations within each rail vehicle. Metro recognizes this as an important step to improving bicycle access to transit, while maintaining safety for all passengers. Other details will be explained at this meeting.**
