

OFFICE OF THE GOVERNOR

SEP 30 2014

To the Members of the California State Assembly:

I am returning Assembly Bill 1532 without my signature.

California has a very extensive set of criminal laws and penalties. This measure would create a new crime that includes a fine and penalty assessments up to \$4,231 and possible jail time of six months. I don't find sufficient justification for creating a new crime when no injury to person or property occurred. I think current law is adequate.

Sincerely,

A handwritten signature in black ink that reads "Edmund G. Brown Jr." with a stylized flourish at the end.
