

Item #24

Metro Subregional Planning Area Boundaries

Planning and Programming Committee
January 14, 2015

Metro

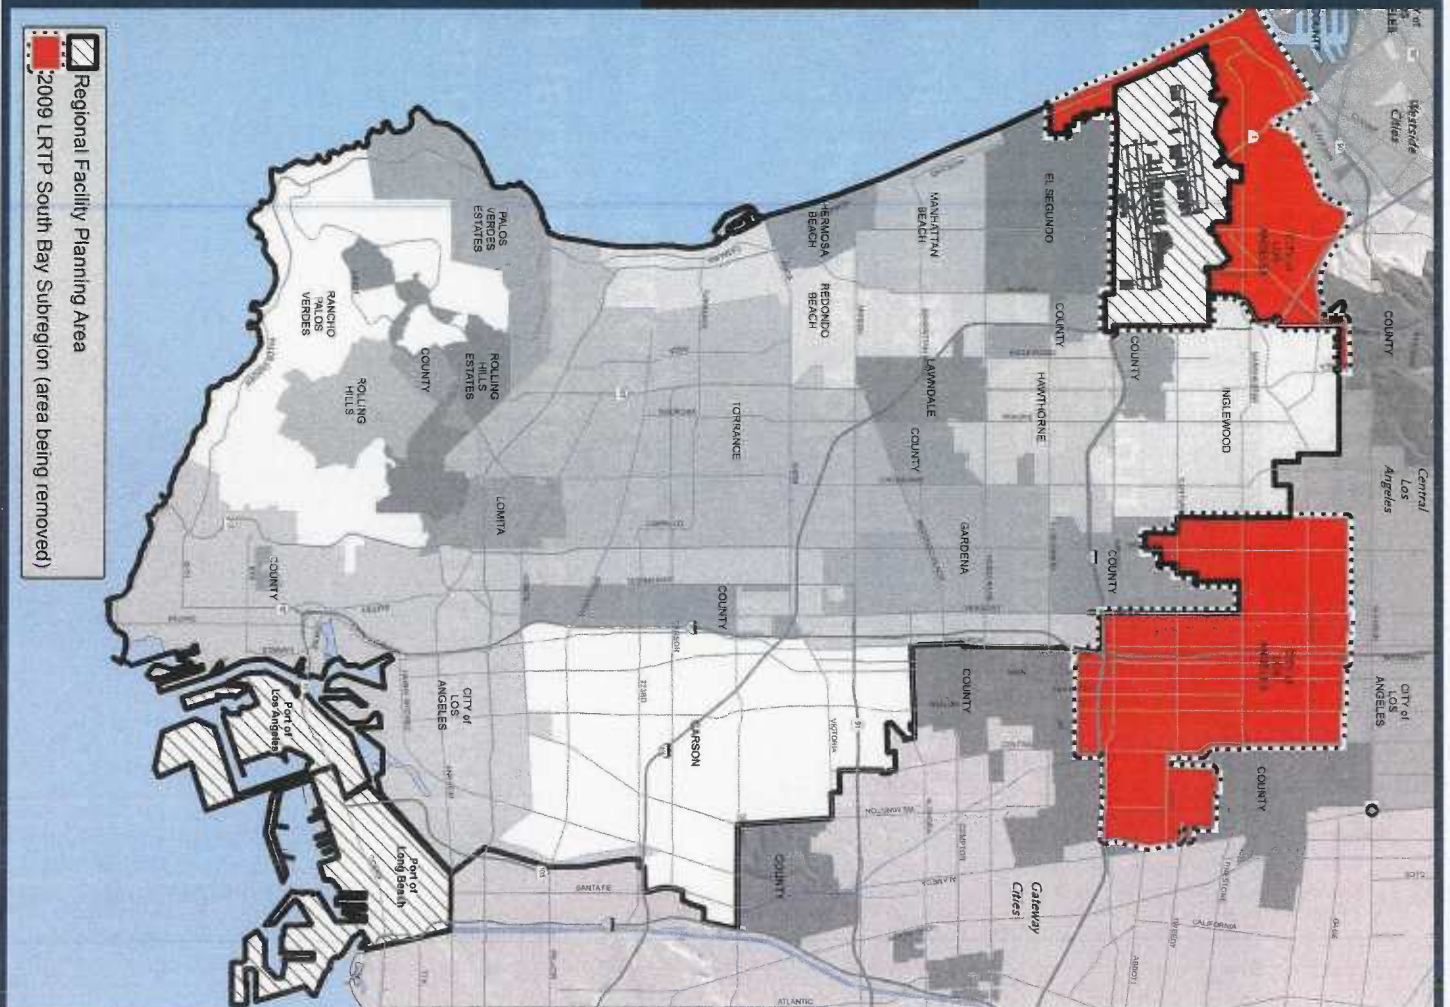

Subregional Boundary Changes

- **November Board motion instructed staff to update Metro subregional planning boundaries to:**
 - **Realign South Bay/Westside Boundaries**
 - **Conform to South Bay COG Boundaries**
 - **Establish regional facilities area**
 - **Confirm regional project cost increases are not a subregional responsibility**

Recommended Changes

- **Metro Planning Area Boundaries revised to align with South Bay COG**
- **New Metro Regional Facilities Planning Area includes major airports, seaports, and Union Station**
- **Revised Cost Containment Policy to ensure cost increases from “regional facilities” projects are not a subregional responsibility**
